

# Spring Flower Planting

We will get a head start on Friday at noon (weather permitting) which makes Saturday go much more smoothly

On Saturday, May 19<sup>th</sup> at 9am, we are looking for all of the extra hands we can get to plant the flowers. The beauty of the club grounds is always breathtaking during our summer months and we owe you a thank you for always being willing to give us a hand. As a thank you for your help, all volunteers will receive a complimentary lunch on Saturday following the annual planting.

Please call the club (989)892-5905 or reply to this message if you are planning on helping.

**Bring gloves, kneeling pads and towels. Hopefully we will also need hats and sun screen.**
